Mr. V. Berger,
The Swedish Lutheran Immigrant Home,
5 Water Street, New York.

Dear Sir:-

Your letter of January 23rd came duly to hand. Should you so desire, it would give me great pleasure to present your name to the Council for election as an associate member of this Society.

I am sending you, under separate cover, a copy of the Society's Constitution and By-Laws, which will give you information regarding membership and various other things. The Society publishes the American Journal of Numismatics, which is sent to its members without charge. The Society has also made arrangements with the publishers of the Numismatist to furnish that Journal also without charge to its members.

We are, at present, holding a large exhibition of United States and Colonial coins, which I am sure you would find interesting, if you could find time to come up and look it over.

As you are a collector of Swedish coins, we have one piece here just now which would no doubt interest you very much, and that is one of the eight daler copper plates 1659. Should you desire any further information I will take pleasure in furnishing it.

Very truly yours,

Secretary.

My dear Sir:-

I take pleasure in sending you herewith a card to the meeting of the Society on the evening of March 19th. As the subject of the meeting is coins and medals of Sweden, I judged that this would be interesting to you, and I hope you will find it convenient to attend. Should you feel inclined to exhibit your very fine collection, or any part of it, at that time, we will be very glad to have you do so.

With kind regards, and hoping to have the pleasure of seeing you,
I am,

Very truly yours,

Director.
